

Electoral review of Chichester

Tell us what you think

The independent Local Government Boundary Commission for England is asking people across your area to comment on proposed new electoral arrangements for Chichester District Council.

Our draft recommendations

Our draft recommendations propose new council wards, ward boundaries and ward names across the district.

We are now asking local people to have their say.

- Do the proposed wards reflect local communities?
- How do you think the proposals can be improved?
- Are the names of the proposed wards right?

The report and maps will also be available in council buildings.
