

MY FAVOURITE TREE

Help Chichester City Council celebrate the trees around us by sharing which is your favourite local tree, or trees, and why.

Send us a photograph/draw us a picture and/or describe it in words (with a story or poem, if you wish).

Your entry will help us understand how our community appreciates trees, as we look for ways to plant more trees in Chichester for people, wildlife and place to thrive.

Please return your entry to:
