

Discretionary Grants

Are you a Chichester based community group?

Is your fundraising a problem?

Would a small grant help?

If the answer to these questions is 'Yes', it's time to contact Chichester City Council and find out if they can help.

You will need to be :

- A not for profit making organisation
- Chichester focused, either in organisation or target group
- Able to provide a simple Business Plan outlining why a grant would help your organisation and your latest Audited Accounts or an Income & Expenditure Sheet for the last financial year

Please contact Chichester City Council for more information and an application form.
