

# Discretionary Grants

Are you a Chichester based community group?

Is your fundraising a problem?

Would a small grant help?

If the answer to these questions is 'Yes', it's time to contact Chichester City Council and find out if they can help.

You will need to:

- be a not for profit making organisation
- be Chichester focused, either through geographic location or target group
- provide a simple Business Plan outlining why a grant would help your organisation. Additional information is required for larger Grants.
- provide your latest Audited Accounts or an Income & Expenditure Sheet for the last financial year

Small Grants are available for under £500 or larger Grants for over £500.

Please contact Chichester City Council for more information and an application form.
