Financial regulations must be observed in conjunction with the Council's standing orders and any individual financial regulations relating to contracts.
- 1.2. The Council is responsible in law for ensuring that its financial management is adequate and effective and that the Council has a sound system of internal control which facilitates the effective exercise of the Council's functions, including arrangements for the management of risk.

- 1.8. The Responsible Financial Officer (RFO) holds a statutory office to be appointed by the Council.
- 1.9. The RFO;

  - assists the Council to secure economy, efficiency and effectiveness in the use of its resources; and

- produces financial management information as required by the Council.

1.10. The accounting records determined by the RFO shall be sufficient to show and explain the Council's transactions and to enable the RFO to ensure that any income and expenditure account and statement of balances, or record of receipts and payments and additional information, as the case may be, or management information prepared for the Council from time to time comply with the Accounts and Audit Regulations<sup>1</sup>.

1.11. The accounting records determined by the RFO shall in particular contain:

- entries from day to day of all sums of money received and expended by the Council and the matters to which the income and expenditure or receipts and payments account relate;
- a record of the assets and liabilities of the Council; and

1.12. The accounting control systems determined by the RFO shall include:
