WSFRS Strategic Priorities

- Preventing fires and emergencies from happening.
- Protecting people, firefighters and property by making buildings as safe from fire as they can be.
- Responding to fires and emergencies quickly and effectively.
- Have a safe and valued workforce.
- Making best use of resources.

Our proposals

West Sussex
Fire and Rescue
www.westsussex.gov.uk/fire

Proposal 1: Enhance our retained operating model

Percentage of fire engine availability

Retained at one fire station

Retained at a wholtime fire station

Retained at a day crewed station

Retained and day-crewed pump availability by hour: 2018/19 and 2019/20

West Sussex
Fire and Rescue
www.westsussex.gov.uk/fire

Proposal 2: Weekend protection, prevention and response improvements

Average weekday incident demand

Mid Sussex District

Adur District

This proposal would increase the number of immediate response weekend daytime fire engines by 50%, from 8 to 12

West Sussex
Fire and Rescue
www.westsussex.gov.uk/fire

Proposal 3: Improving protection, prevention and response performance in rural areas

Rural community:

42%

of the population

Increased focus on rural prevention, protection and response activity

7am-7pm

West Sussex
Fire and Rescue
www.westsussex.gov.uk/fire

Proposal 4: Unwanted false alarms - changes to our response

False alarms attended by month

West Sussex
Fire and Rescue
www.westsussex.gov.uk/fire

Proposal 5: Review of Emergency Response Standards

First fire engine response standards

- Very high risk: less than 8 minutes **70% target**
- High risk: less than 10 minutes **92% target**
- Medium risk: less than 12 minutes **89% target**
- Low risk: less than 14 minutes **92% target**

Benchmark: 89% target

Second fire engine response standards

- Very high risk: less than 11 minutes **71% target**
- High risk: less than 13 minutes **91% target**
- Medium risk: less than 15 minutes **83% target**
- Low risk: less than 17 minutes **84% target**

Benchmark: 83% target
