MEETING OF THE FINANCE COMMITTEE  
TO BE HELD IN THE COUNCIL CHAMBER AT 2.00PM ON TUESDAY  
18<sup>TH</sup> OCTOBER 2022**

.....  
Town Clerk

## **SUPPLEMENTARY AGENDA**

### **1. Whitehouse Farm- Bishop Luffa school Landswap.**

The Whitehouse Farm Part 2 application has highlighted real concerns over the safety for Bishop Luffa students with the proposed SAR routing.

The current school is in a poor state with energy bills over £60,000 and increasing with new energy costs. A new school could be carbon neutral so it would help the City Council objective of carbon neutrality.

The school needs to submit a preplanning application to move to the next stage. It does not have the funds to do this being an academy

A recommendation is sought from the City Council to help support, with funding from CIL, for the school with its Pre planning application
