

Chichester City Council

## PROPERTY REPORT

24 September 2024

### 1. UPDATES ON ACTIONS FROM THE PREVIOUS MEETING

#### a) COMPLETED PROJECTS

##### The Council House

1. **Lift** – Refurbishment of ram seals was protracted and company failed to do in the allotted timescales week overdue to get lift operational and failed to complete the electric pit prop and key switch, scheduled for 16/09/2024, parts not available, awaiting new date. Communication was extremely frustrating, senior management of company still have not apologised. **Note:** *Contract will not be renewed with company.*
2. **Crush Bar Flooring** – Installation complete, but cost increased due to the way original floor not stable on all heating pipe routes. Solution to rectify required the whole floor to be stabilised with 9mm play and thick screed adding an additional cost of £1,188.33+V. Final project total of £6,613.56+VAT
3. **Roof Barriers and Eye Restraints** – Inspection was performed 25/07/2024 this inspection has not been performed before and should be done annually. Unfortunately all barriers were condemned and main roof restraint eyes. The roof barriers are fixed to the coping stones, which in turn are cemented to the wall brick work. The cement has lost its bond to the brickwork and the coping stones now rock, the issue is that the barriers are only attached to the coping stones and not through into the brickwork. So any heavy pressure applied to the railings could result in them falling into neighbouring property and the car park and causing injury to personnel. The barrier above the Chamber is not at the correct height. **Note:** *Roof access is limited to authorised personnel and contractors are informed of the dangers and signage is on all barriers. The fix is currently being investigated and we will need to employ professional services in the form of a structural engineer. SEE NEW PROJECTS.*
4. **Mayor's Car Park** – Old surface removed and recycled to entrance of Brewery Fields. New surface installed work performed without digger, grab lorry and membrane left over from other works. **Note:** *This created a saving of £1,440.97 Original cost forecast was £2,081.70+VAT, Actual Cost £640.73+VAT*
5. **Cab Office** – All redecorated, installation of new blinds, desks, acoustic partitions, meeting table and chairs, CCTV, panic alarm, assistance bell, IT Equipment (3 x Screens, Keyboards and Mice, 2 x PC Units). Oil painting by William Muller – Valuation £1,500-£2,500 (Bellmans Fine Art Auctioneers, awaiting others) removed and located in 2nd floor flat.

**Replacement carpet** – On hold current quotes circa £ 1,300+VAT

### **Market Cross**

1. Electric upgrades performed on budget, next inspection 2026.
2. Stolen penants now replaced.

### **Gardens**

1. Litten – Queens 90th and Weston plaques refurbished in-house.

### **Public Realm**

1. The Brewery Field - Signage/Noticeboard and gate all installed and entrance stabilised by recycling the old surface from Mayor's car park.

### **Allotments**

1. None

### **Other**

1. None.

## **b) UPDATES**

### **The Council House**

1. **Secondary Glazing** – All windows with the exception of Chamber (2025) now refurbished. 4 panes heritage glass to be replaced on Lion Street prior top installation of secondary glazing. Secondary glazing has been measured and is now being manufactured. Install estimated November 2024 will take a week.
2. **Solar Array** – Installed and operational, awaiting final paperwork to sign system to “Smart Export Guarantee Scheme”. **Note: See separate report cost vs income (DRAFT).**
3. **Old Court Room Replacement Roof Light** – Meynell Hayes Architects have carried out initial survey. **Note: Awaiting information.**
4. **Damp Issues in Town Clerk's Office** – Vents put in walls to create airflow beind insulated plasterboard. **Note: Ongoing monnitoring.**
5. **Rear yard gate replacment – Delivered 18/09/2024 to schedule fitting.**
6. **Roof space insulation** – materials to order and work to commence when resources allow.
7. **Mayors Parlor (Toilet/Kitchenette Upgrades)** – Project has started, issues with unsafe electrics found now resolved, additional cost of £1,390.60+VAT. Flooring is having to be replaced, additional cost of £225.00+VAT. Due for completion first week of October, but will be operational for 25th September 2024.
8. **WiFi Public and Private** – 80% rolled out and stable with good coverage. Rollout will be completed on Gareth's return. Additional nodes may be required to cater for dark spots of coverage.
9. **Crush Bar and Kitchen Upgrades for Venue Hires** – awaiting for report from James Brigden on competition and vbiability. **Note: We have the following bookings awaiting an outcome on kitchen upgrades as follows:**

Date	Description	Attendees	Bar	Kitchen	Food Hot/Cold
16/11/2024	Wedding Reception	100	✓	✓	Cold
20/12/2024	Christmas Dinner	100	✓	✓	Hot
15/02/2025	Wedding Reception	100	✓	✓	Hot
22/03/2025	Wedding Reception	100	✓	✓	Hot
24/05/2025	Wedding Reception	100	✓	✓	?
14/06/2025	Wedding Reception	100	✓	✓	?
Feb-Apr 2025	Scottish Dinner Dance	120	✓	✓	Hot

### Market Cross

1. None.

### Gardens

1. St Martin's – **Waste Bin received, install to schedule.**
2. West Street – Interpretation Board awaiting CDC approval.

### Public Realm

1. **Cycle racks** – Recycled recovered vandalised units modified and being replaced around the city on Fridays till complete subject to weather and staff availability.
2. **Benches** – Inspection of all benches performed, some require re-painting and all to be asset tagged.
3. **Bus Shelters** – Lavant Road North and Southbound shelters refused by WSCC on grounds of visibility. PROJECT CLOSED
4. **The Brewery Field** - Planning Permission (PP-13186485) to top trees in South West Corner affecting residents 22, 24 & 26 Parklands Road. CDC have granted permission. **Note: Works to takeplace in October 2024.**
5. **Bognor Road and Whyke Road SID/SAM's** – Approvals given, unit positioned Northbound on Bognor Road. **Note: Whyke Road householders to be informed of locations on Whyke Road by Town Clerk.**

### Allotments

1. St Paul's – Installation of new fencing due to start **14th October 2024**

### Other

1. Replacement Vehicle (Tipper) – See attached report to Property & Finance Committee

## c) NO UPDATES

### The Council House

1. **Kitchen Upgrades** – Awaiting report from James Brigden. Bookings “on hold” that require kitchen facilities
2. **Council Chamber** - Upgrades and decoration – March 2025

### Market Cross

1. None.

### Gardens

1. **Litten** - Replacement of Royal Naval Association (RNA) tree – tree removed and currently awaiting a decision from the RNA regarding replacement.

2. **Litten** - Path surface replacement – Invitation To Tender to be written August 2024.
3. **Litten** - CCTV Camera system no longer compatible with software following updates, PMM looking at alternative method of connection for remote access.

**Public Realm**

1. None.

**Allotments**

1. None.

**Other**

1. None

**2. ADDITIONAL UPDATES**

**a) Florence Park**

Installation of concrete plinths for cube sculpture seats. **Note:** *Approved by CDC, to schedule.*

**b) Whyke Oval**

Installation of concrete plinths for bench seating various locations. **Note:** *Approved by CDC, to complete prior to October half term.*

**3. NEW PROJECTS AND PROPOSALS**

**a) Accessibility to CAB Office & Stairs in the event of lift failure**

Wheelchair users are unable to access the CAB Office and have no means of access to the first floor in the event of a lift failure or evacuation.

Costs were obtained for dedicated platform access to the CAB Office but are cost prohibitive £25,000 to £28,000+VAT from 3 suppliers. LBC would be required.

Due to the lift “being out of action” for a two week and then extended, we had to investigate other options for means of access due to functions coming up. We therefore turned to Stair Climbers and obtained various quotes. We then focused on two types supplied by a local company. And tested them in the building. We therefore put the following forward for approval to purchase:

**S36 Scalacom Stair Climber** with headrest, 2 year warranty, training for 4 persons and delivery

**Total £ 5,895.00 + VAT**

Ongoing costs:

Annual service £ 350.00+VAT

Additional Operator Training £ 595.00 +VAT

**Note:** "Train the trainer" session for up to 2 people is £ 795.00 + VAT

(These people must have completed operator training previously and once qualified can train and certify additional personnel).

**b) Replacement Phone System**

The new Wi-Fi will provide the backbone of the new phone system using VOIP technology. Initial enquiries have shown significant savings.

**c) Repairs to Roof Barriers**

Instruct Structural Engineer to validate proposal for securing barriers with resin thread bonded bars through coping stones and brickwork and recementing of coping stones. **Note:** *Timescales to be advised.*

**d) Allotment and Gardens Equipment**

The introduction of wilding to our green spaces requires the use of a Scythe to cutdown the tall grasses and flowers at the end of each season and to maintain boundaries. This unit would be attached to the electric lawnmower for use.

Quotes as follows:

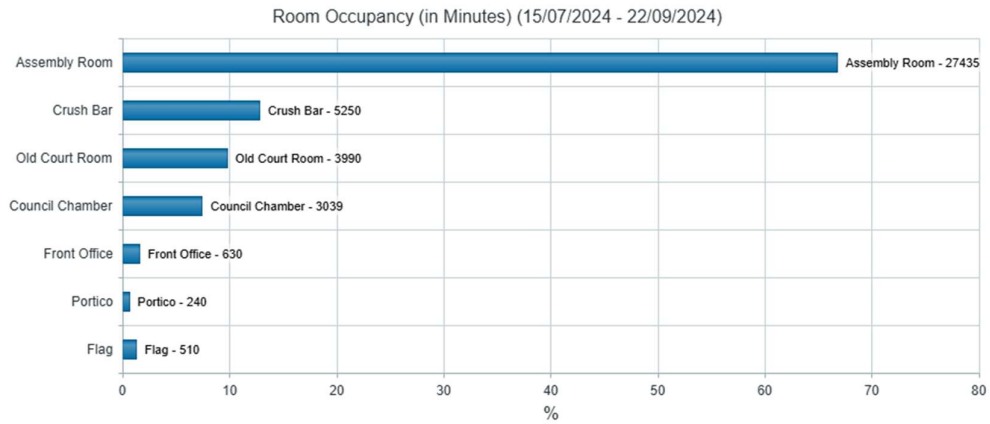

Description	Company "A"	Company "B"	Company "C"
Laser scythe bar 45" to fit BCS710 tractor unit	£1,275.00	£1,360.00	£1,870.00
Quick release coupling	£165.00	£165.00	£159.60
Additional coupling	£105.00	£125.00	£125.00
Carriage	£25.00	£50.00	£0.00
<b>Totals (Ex VAT)</b>	<b>£1,570.00</b>	<b>£1,700.00</b>	<b>£2,154.60</b>

**4. ALLOTMENTS**

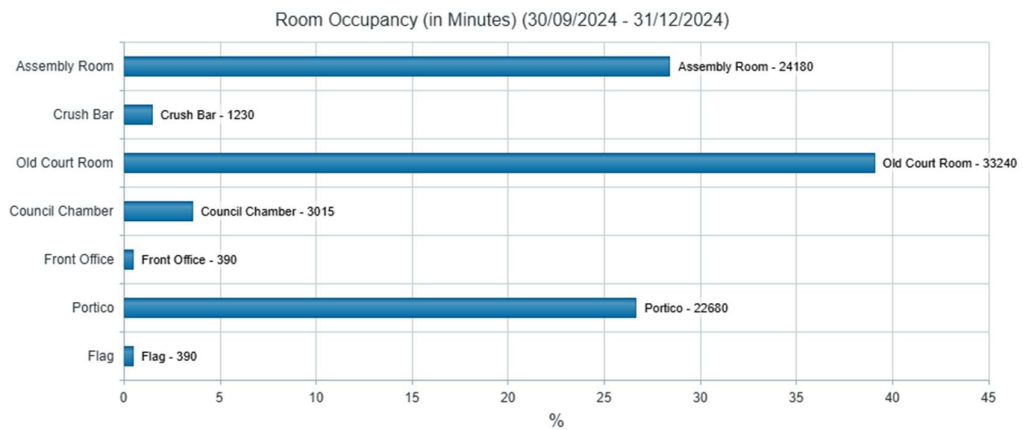

1. Vacancies – 3
2. Waiting List – 110
3. 30 Day Notice Issued – 7 people (7 plots)
4. Plots Released (Non-compliance, Health) – 4 (reallocated)
