

## Chichester City Council

### Street naming report for the Planning and Conservation Committee 24 April 2025

SNN2024.011 – New residential and retail block on the Minerva Heights development

**Applicant:** Miller Homes Ltd

Further to discussion with Councillor Scicluna and the District Council's Archaeological Officer, the suggestion is to name the block The Acres. This is based on the historical names of fields in the area being "The 8 Acres" and "The 12 Acres". No other historical references were thought to be applicable.

As the development would have different entrances for the retail and residential units, this would require two different addresses as follows:

- Ground Floor Retail Unit, The Acres, Drovers Lane, West Broyle, Chichester
- Apartments 1 – 8, The Acres, Purchase Place, West Broyle, Chichester

In both cases, the Royal Mail would need to confirm suitability and issue postcodes.
